CLASS TRIP

For five marvelous days the Senior Class toured Washington and New York City. We had a great deal of fun, little sleep and a never to be forgotten time.

Monday, April 18, that first glorious day..... A group of anxious Seniors left Barre High School at 7:00 AM on a bus bound for Washington. Accompanied by Mr. and Mrs. Zona and Mr. and Mrs. Mischitelli we were on our happy way after three long years of waiting.

The first evening we were at liberty to do as we wished. In small groups we set out to see the city. Many of us viewed the capitol by night with its numerous beautiful fountains. Others hired taxis and went to movies or historical spots.

Tuesday, April 19, that second glorious day..... On Tuesday morning the hall of the Annapolis Hotel echoed with the ringing of telephones notifying us that the unearthly time of 6:15 AM was upon us and time to begin another eventful day.

At 8:15 we were on our way and quite excited wondering what this day would bring. Our guide pointed out and described many of the government buildings and statues including the Lincoln and Jefferson Memorials. We proceeded to Arlington National Cemetary where we visited the Tomb of the Unknown Soldier and President Kennedy's grave. Our morning tour ended at Mount Vernon, the home of George Washington at Alexandria, Virginia. There we feasted on a scrumptious meal of genuine Southern fried chicken.

After lunch we continued our tour. This time the United States Capitol Building was our destination. Here we saw Congress in session. The remainder of the day was spent enjoying the sites of Washington.

Wednesday, April 20, that third glorious day..... Again we arouse early and were on our way to Washington Momument after a memorable stop we proceeded to the White House. We visited the East Room, the Red Room, the Green Room, The Blue Room and the State Dining Room.

Our morning tours terminated at the Shrine of the Immaculate Conception with lunch in the cafeteria.

To end our tour of Washington we visited the Smithsonian Institute. Here we saw Charles Lindburgh's "Spirit of St. Louis" along with many other historical displays. Most of us were left with an uneasy feeling from many of the specimans in the Medical Building. Finally we carried our weary bodies back to the hotel.

Thursday, April 21, that glorious fourth day..... This week couldn't last forever and the days were passing very quickly. Here it was Thursday and we were on the bus leading back to New York City. In New York we were accommodated at the exclusive Hotel Taft.

At 6:30 PM we gathered in the hotel lobby and proceeded to Radio City Music Hall which featured the "Singing Nun" along with the famous Rockettes and their Easter Pageant.

Friday, April 22, the last of our glorious days..... It began with a professional tour of the United Nation Building. After an inspiring visit we returned to the hotel. We had until 2:00 PM that afternoon to spend shopping or sight-seeing on our own. Then we returned to ready for the trip home.

Unwillingly we left the Annapolis and Washington, the Taft and New York City and set out for our beloved Barre, taking back with us only the fond memories of yesterday and a few souveniers.

PROPHECY

Time certainly has flown. It doesn't seem possible that it is the year 1986 and that it is 20 years since we graduated from good "OLE" Barre High. The theme of our Junior Prom, "Around the World" is very fitting to say where my classmates are now.

As I walk along the now bustling Main Street of Barre, Mr. Pitisci, one of our old teachers, welcomes the chance to tell me who's doing what.

Deborah Marshall and Janice Shepardson, well known horse women, are chief instructors at Buckingham Palace.

20 years have elapsed and Peter Cirelli, who owns a Rolls Royce, is still being chauffeured around by "Turk."

Carmelo Isgro has just recently retired from his barber business and has become the world's most famous epicurean or shall we say--the little old wine maker--that's him.

The DiCicco look is the craze this year and we can put the blame on Beverly DiCicco for this creation of art.

Lauren Upham, an operettic diva, has completed her fifth world tour and is now residing in Brussels.

Things aren't rough enough all over - poor Paul Riendeau is still trying to convince us he is "Teddy Roosevelt."

Joseph Mertzic, a former Winston smoker, has now switched to Raliegh's because of his newly elected position as executive coupon collector for the company.

Roland Langelier, a Lieutenant in the United States Army (Salvation), has decided to join the Secret Service.

Joseph Gerualitis just drove his A/FX 826 HEMI to a NHRA CLASS WIN.

Richard Rebokus, King of Siam with his entourage of twenty wives, has just set up dance studios throughout Siam with his wives as dance instructors.

Sandra Pimental, the smallest girl of our class. is now using her height as one of the seven dwarfs in the modern version of Snow White.

Bob Dawson, a former olympic skiing champion, residing now in Switzerland, has finally convinced Paul Bassett that there are other places to ski besides Christian Hill.

Lieutenant Lief Ericson retired from the Marines and married. He is the father of nine children and lives on the isle of Oahu, Hawaii.

Ann Vining is a prosperous secretary in a huge insurance company in Washington.

After many years of research, Bruce Spinney finally found the missing link.

Irene Jackson and Pauline Willey are replacing the Dr. Kildare Program on TV and have received the "Emmy Award" for the tenth consecutive year.

Steve Brewer, President of the U.S.A. (Uncle Steve Association), can be seen with his bud-dy Trescott Robbins, owner of a 1986 XKE-e-e-e.

A well-known haberdasher, Paul Talancy, has recently made his fifth fifth million.

David Clark, dictator of the western hemisphere, finally convinced the people that he's right and the world's all wrong - OF COURSE!

We are very honored to have been classmates of Ralph Southwick, who has just pushed aside the Brittanica with his new encyclopedia entitled Southwick's Supercalafragalistic Encyclopedia.

Another publisher, Paul Churinske, completed his new book entitled Eli-Burr's Easy Way Out of Confusion, with a supplement on "How to catch up on assignments."

Driver Education teacher, Cathy Jankauskas, who charges outrageous fees, is trying to teach Joyce Keddy that the gas pedal isn't the brake and that there is a difference between the first and the reverse gear.

Ann Kelly has finally settled down in China where she is administering therapy to Chinese children.

Sherrie Langelier has recently been elected "House Wife of the Year' by the United States Marines.

Whoever thought Sammy Thompson and his lovely assistant Ruth Klem would become millionaires by opening a chain of plumbing stores in South America? They are still trying to convince the cannibals that bath tubs are used for bathing not for cooking.

Holy Crosses' contribution to science is non-other than Elliott White who is still working on the pill to replace gasoline in Sammy Heye's 620 Ford XL.

Don't you think it would be advisable for Timmy Graves and Richard McQueston to move to Ware instead of commuting from Thailand weekly?

?---- We have lost contact with Elwin Metcalfe and Joe Slavitsko after their last run.

Dr. Peter Carruth has just completed his 999 facial operation and finally convinced Bobo he is Boris Karloff.

Harold Nichols, a famous landscape gardener has just received a contract to do all the landscaping at the World"s Fair in Canada.

Danny Jordan, with his co-pilot Steve Clark, just flew his airplane down for a landing at his father's body shop for a tune-up.

United States' most famous archeologist, Lee Dougan, has just unearthed the lost city, "Err-r-r", where the grape vines grow and the Mou-Mou's sing to Richard Zbikowski's guitar.

Ralph Prinsen and James Higgins both of Beverly Hills, have announced their candidacy to run for U.S. Senate.

A chain of teenage night spots called "The Wedge", all on 348 Mechanic Street, owned by Tricia Towle has sprung up all over the United States.

Cheryl Hurst still doesn't know that red lights mean stop and that green lights mean go.

Connie Ryngiewicz got married and had 25 so she doesn't call it a family she calls it a tribe.

Judy Ryder is still taking trips to Bromley in a white GTO!

Suzanne Trifilo has controlled her weak stomach and become President of the Nurses of America.

Sandy Madsen is head secretary for the Dub Chemical Company.

CLASS HISTORY

The class of '66 entered the halls of Barre High School on what seemed a cloudy day, and most were confused for lack of knowledge of what to do and where to go.

At our first class meeting in September our illustrious class elected: Steve Brewer, President; Paul Talancy, Vice-President; Judy Ryder, Secretary; Paul Bassett, Treasurer; and Danny Jordan, Student Council Representative.

Our honorable class had the luck of participating in the last Freshman Assembly in Barre High School. We finished last in the Ice Cream Social, naturally. Bravely we faced the onslaught and managed to survive the exercises in the provided area in study hall.

Green and white were chosen for our class colors. Under the guardianship of Steve Brewer, Joe Gerulaitis, and Tresscott Robbins, a plan for a class banner was drawn, and thanks to Mrs. Whitfield Moore the drawing was shaped into a masterpiece of teen-age art.

Bobbo Dawson and Danny Jordan represented our class on the Frosh Basketball team, and Lee Dougan, Steve Brewer, and Ralph Southwick represented our most athletic class on the baseball diamond. Judy Ryder and Joyce Keddy cheered the basketball team on to victory. Roly Langelier took 1st-place in the Prize Speaking Contest. Pete Carruth came in 3rd and Joyce Keddy 1st and Ann Vining 3rd. Gracefully our first year ended and we looked forward to returning as Sophomores.

As Sophomores we quickly set to work and elected Ralph Southwick, President; Roland Langelier, Vice-President; Tricia Towle, Secretary; Steve Brewer, Treasurer; and Dick McQueston. Student Council Representative.

Our Sophomore Social was as much a success as any other, and Joyce Keddy was chosen as chairman.

The money-grabbing Sophomores placed second in the magazine drive, much to the horror of the hauty Juniors, and at the Ice Cream Social the better class sat and watched while the Juniors again provided entertainment.

In soccer, Dave Clark, Dale Sheldon, Elliott White, Lee Dougan, Paul Churinske, Pete Carruth, Danny Jordan, Pete Cirelli, Carmelo Isgro, Dave O'Niel and Bobbo Dawson all did a fine job.

Danny Jordan and Elliott White were on the varsity basketball team. Steve Brewer and Dave Clark held up our end on the J.V.'s. Ralph Southwick, Lee Dougan, and Steve Brewer made the baseball team in the spring. Judy Ryder and Joyce Keddy were still cheering the the basketball team on. Margaret Mercik and Irene Jackson won second and third place in the Prize Speaking, respectively.

We all looked forward with great expectation to becoming Juniors and upperclassmen.

The magnanimous class of '66 as Juniors Elected: Steve Brewer, President; Elliott White, Vice-President; Cheryl Hurst, Secretary; Paul Bassett, Treasurer; and Ann Vining, Student Council Representative.

Again we placed second in the magazine drive to earn the right to sit and watch.

Mr. Cronin was our Junior class advisor. Paul Churinske, Paul Talancy, Danny Jordan, and Steve Brewer represented the class on the varsity team. Steve Brewer, Dave Clark, and Paul Churinske were also on the J.V. team.

Dave Clark, Lee Dougan, Paul Churinske, Elliott White, Sammy Thompson, Pete Carruth, and Dave O'Niel participated in the game of soccer this year.

In Prize Speaking Ralph Southwick placed first and Dave O'Niel just shoved third. Irene Jackson placed second in the Girl's division.

Steve Brewer and Lee Dougan did a fine job for our class on the baseball diamond. More of our fine class decided to help cheer the boys to victory. Judy Ryder, Ann Vining, Sandra Madsen, and Joyce Keddy were cheerleaders.

Our Junior Prom was a huge success and "Around the World" was the theme. I'm sure all who attended it will agree it was SUPERCALIFRAGILISTIC!!!!!!!! Ruth Klem and Tricia Towle were the co-chairmen. Prom meetings were held at Tricia's house, Ruth's house, and O'Niel's house.

Our Junior Supper was very successful, and we are sure the town enjoyed it. Suzanne Trifilo and Judy Ryder along with help from the rest of the class did a fine job. It was catered by Sarah Caruso.

All were eager to become Seniors, and were anxious to work on Senior activities, so that we could visit Washington and broaden our educational horizon.

As Seniors many of us had the feeling of accomplishment and superiority, as it should be, now that we were the uppermost- classmen. Thoughts of Senior activities over-shadowed that of graduation, and we set down to business.

After re-conforming to school life, we elected class officers. They were. Steve Brewer, President; Paul Churinske, Vice-President; Judy Ryder, Secretary; Sandy Madsen. Treasurer; and Bruce Spinney, Student Council Representative.

Our first class activity was the Senior Bazaar. Tricia Towle was chosen chairman of the bazaar and did a very good job. Sammy Thompson and Danny Jordan took charge of the Car Wash, which was a huge success. Many of us will remember the time spent picking apples, though nearly as many were eaten or thrown as picked. And all will remember Paul Riendeau as the rather obnoxious and quite vociferous clown. The cider sold well and some can still remember Roly that night the cider was bottled. All in all the Bazaar was very successful.

Our next activity was the Alumni Social, and we had to put it on because of tradition, though we had less than two weeks to prepare for it. There was a good turn out and many said it was one of the best they had attended. Paul Riendeau played Santa Claus with a nose like Rudolph what-a-macaltit.

The Senior Supper was presented next, and Suzanne Trifilo was chairman. The supper was well planned and the food was delicious. We were unfortunate to have a bad night but the turnout was still good.

We had a very successful Senior Food Sale, but our food sales have always been one of the most effective ways to make money.

The Senior Play was "Arsenic and Old Lace" and was truly fabulous. Ann Vining and Lauren Upham stole the show, as sweet little old ladies that went around poisoning men. The stage crew did an excellent job and I doubt that any of the audience was dissatisfied. With the profits from this play we found our Treasury had swelled to more than enough to enable us to reach Washington.

The next important event was the election of Student Government Representative. Steve Brewer and Dave Clark ran but Dave won and represented our school at the State House on April 1.

The Senior Trip followed and boy oh boy was that a great time. The sights were great including Pennsylvania Avenue and of course 14th Street. New York was exciting, but most enjoyed Washington better. We spent more time in Washington though so maybe we just got used to it.

Now with the Barretone going to press we are hopefully awaiting June 23, 1966, and graduation.

THE SENIOR PLAY

The big moment came on February 18 and 19 for the Senior class. These were the days of our play, "Arsenic and Old Lace," directed by Mr. N. Clark Bowlen.

The cast was headed by Lauren Upham, and Ann Vining, portraying Aunt Abbey and Aunt Martha, respectively. Their poison Elderberry wine, their charities, and sweet nature, made them unforgetable. Ralph Southwick portrayed Mortimer Brewster, the play critic, who thought that he was also mental because everyone else in the Brewster family was, and so tried to break off his engagement to Elaine Harper, the minister's daughter, (Joyce Keddy). One of the more popular characters was Paul Riendeau, in his role as Teddy Brewster, the nephew who thought that he was Teddy Roosevelt and that the cellar was the Panama Canal, where he was building locks, actually used for burying his Aunt's poison victims, whom he thought had yellow fever. Jonathan Brewster, the other nephew in reality, Bob Dawson, was the murderer of the family, who had escaped from prison, with his friend Dr. Einstein, (Pete Carruth), who had done a plastic surgery job on Jonathan just after seeing a Boris Karloff movie; the result was Jonathan looking like Boris. James Higgins was casted as the Rev. Dr. Harper, who lived next door to the Brewsters. During the play the audience came close to seeing Mr. Gibbs, (Richard McQuestion) poisoned by Martha's wine and everyone was wondering if Mr. Witherspoon (Bruce Spinney) the Superintendent of Happy Dale Sanitorium would actually drink the wine.

There was also a supply of police officers who added laughs to the play. Steve Brewer as Lieutenant Rooney, headed up the force, the rest of the force consisted of Paul Bassett as Officer Brophy, Richard Zbikowski as Officer Klein, and Sammy Thompson as Officer O'Hara. Steve Clark played the body in the window seat. Pauline Willey was the prompter and did a very good job.

The class had a lot of help and would like to thank everyone who helped us. Special thanks go to Mrs. Madelyn Jeffreys, the advisor for the Playbook, Mr. Richard Wilkins, the artist for the playbook, and Mr. Nord C. Bowlen, the Director. We would also like to thank Mr. Gordon Battye for being Stage Crew advisor and Mrs. N. Clark Bowlin, Mrs. Ralph Southwick, Sr., and Mrs. Russell Hopkins for being advisors.

SENIOR BAZAAR

SENIOR BAZAAR

On October 9, 1965, the hard work of weeks before had come to a climax. On this bright Saturday morning the Barre Common was suddenly overrun with gay seniors, bushels of apples, and barrels of cider. The rest area on Route 122 also became crowed with Seniors and cars for it was the site of the Car Wash.

By 10 o'clock people had already begun to rush in to see just what we had. The Food Sale table was piled high with homemade food of all kinds, baked by Seniors or their mothers. The White Elephant table had everything from a television to a pair of left-hand scissors. And oould we ever forget our clown!

That night we held our dance featuring THE MISFITS. Refreshments featured, naturally, cider and apples.

Although a few had cut knees and elbows from the apple trees, it was a successful and fun filled day.

JUNIOR PROM

The night of May 7, 1965, finally arrived and we began our long awaited trip AROUND THE WORLD. We passed a little French Cafe, the leaning tower of Pisa and walked through a small native village. In the middle of our tour stood a beautiful globe rotating throughout the night, with skies of blue and white above us.

Our Chaperons were: Mr. & Mrs. Stephen Cronin
Mr. & Mrs. Stanley Ericson
Mr. & Mrs. Frank Hurst
Mr. & Mrs. Paul Jordan
Mr. & Mrs. John Ryder
Mr. & Mrs. Matthew Towle

SONG

Our Junior Prom has come at last
We've waited long-our dreams are born
We keep this date with you
And so tonight in Happy May
We get our ringe, we share all things
and three long years at Barre High
Fond memories in work and play
We've laughed and sighed
But now tonight the class of sixty-six
Welcomes you to share their Junior Prom

Second Verse

So if we do go round the world
We'll always keep this men'ry true
And still remember you
To outer space tonight we'll go
We'll travel far-on yonder star
And dreams our dreams with you

UNDERCLASSMEN

CLASS OF 67

Becoming Juniors last September was a big step. It meant having the title of "upperclassmen," and also an exciting year ahead with many activities in which to participate.

Our first meeting was for the election of class officers. The following were chosen to represent our class:

President.....John Flint
Vice-President.....Charles O'Donnell
Secretary.....Paula Makovitch
Treasurer.....Nancy Hale

In the magazine drive we again obtained third place, which meant we had to provide entertainment to the satisfaction of the Seniors.

As a result of hard work and class members pooling together both the Spaghetti Supper and the Food Sale were successful.

The theme for our Junior Prom was "Carousel". It was held on May 20 at Ruggles Lane. We spent a lot of money, time, and effort but on that night we knew it was worth it.

Many Junior boys and girls took part in sports this year and we are all grateful to them for doing such a fine job representing us.

We would like to congratulate the students who entered the Prize Speaking Contest. The winners were Donna Dymon and John Rogowski both taking 1st place in their divisions, and Charles O'Donnell 2nd.--

CLASS OF 68

As we, the class of '68, entered the halls of Barre High for the second year year, we enjoyed the pleasures of being not so scared Freshmen. We were welcomed by our new class advisors, Mrs. Upham and Mr. Koziak.

To get things started we elected officers. They were:

President.....Jerald Palano
Vice-President.....Francis Peltier
Secretary.....Janis Greene
Peter Fagnoli.....Treasurer

To our dismay and embarrassment we placed last in the magazine drive. Again---------Exercise!!!!!

Our big event this year was the Sophomore Social. Many hands joined in to make it the big success it was.

As last year we were well represented on the fields of play in all sports. Susan Melius captured 2nd place in Prize Speaking to do our class honor.

Already deep and lasting friendships are forming as we await next year and the title of "upperclassmen."

CLASS OF 69

The class of '69 entered Barre High with thirty-eight students, ready for an exciting year at a different school.

At our first class meeting in September we elected class officers. Those chosen to serve us were:

President.....Thomas Jordan
Vice-President.....John LaParti
Secretary.....Charlotte Marshall
Treasurer.....Terry Lamacchia

While Terry was absent from school due to a serious back operation Cathy Flint filled in as Treasurer.

Our class banner and cheer were also chosen along with our class colors which are green and gold.

We have a very outgoing class and we joined in many activities. Our class participated in all the sports.

The class of '69 is one of the few Freshman classes that did not have to exercise at the Ice Cream Social. We just sat back and watched the fun.

Although the class is small, we are striving for a good education, and to leave behind us fond memories of our high school years.

SPORTS

1965-66

Varsity Basketball

The Varsity Basketball team won ten and lost eight games in competition. There were many highlights during the season, but perhaps the most outstanding one occurred when Oxford defeated Barre in overtime, 86-84.

The Barre team composed mainly of veterans, finished fourth in the Worcester County League, in which tough competition is the rule rather than the exception.

Barre received outstanding performances in many of its games from Paul Talancy, Paul Cilley, Eddie Jackson, Tommy Mertzic, Danny Jordan, and Paul Churinski. Several of these boys will be returning next year to add luster to what could be a bright basketball chapter of Barre's last team.

The basketball teams were under the care and direction of Mr. Steven J. Cronin.

Our J.V.'s showed a lot of hustle and some fine team spirit, winning twelve games while only losing four games. Mr. Cronin took the team and did a fine job working it into a well rounded squad of promising boys. The team showed us many exciting moments while they were on the floor. They will more than likely fill some important gaps on the varsity team next year.

BASEBALL

As we go to press the baseball season is not yet over. Barre has proved that it is not a team to be taken lightly. Mr. Cronin has molded the team into a real winner. They are in second place, just one game out of first place, with the most crucial games to come. So far Barre has a record of five wins and three loses.

GILBERTVILLE MASS.

The tragic fire that destroyed our Junior High School left many of us sad. We mourned the loss of our beloved Center School.

It was more than a loss, it was an inconvenience. The 7th and 8th grades came to Barre High on double sessions from 1 in the afternoon until 5, and the High School started school at 7:30 in the morning.

The fire was tragic but it will hasten the building of the new school.
